

# Seed Bombing Cycle Ride

(22nd April 2017 Earth Day Special)

*“The best time to plant a tree was 20 years ago. The second best time is now.” – Chinese Proverb*

Time to start cycling, time to start planting, the message is loud and clear, it's never too late to start doing the right thing!

Mother Earth has blessed us with almost everything in a decorated platter, be it air, water, food and of course a home. Over the years, we have left no stone unturned to destroy our own habitat.

Even our lifestyle has left us completely disconnected with ourselves and the simpler things in life which used to make us happy.

This year on 22<sup>nd</sup> April i.e. “Earth Day”, Carvan Trips in collaboration with iKheti bring an opportunity for you to make a difference.

Join us as we pedal away without a care in the world through the lush greenery of our very own Aarey Gardens, and lend us a hand as we go about planting as many seed bombs as we can.

Nothing beats the fulfilling feeling of a cycle ride and planting a tree. With a small seed, we pedal
